MADURA.
17.2. 1935.

My dear friend,

I received your kind letter & the enclosures. I need hardly say how important it is that the Tamils should celebrate the 60th birthday of the greatest scholar & and publicist. The Sangam journal has the principal article on the subject & has also reproduced some appeals. I shall see you when I go there in a day or two.

Wishing you all success

Yours sincerely

T. C. Srinivasa
